

### Information About This Service

#### **Service Description**

1300 inbound are easy to remember ten digit numbers that helps increase your advertising return on investment. The 1300 numbers only receive incoming calls, and for outgoing calls you need your normal phone lines. The 1300 numbers can be directed to any phone landline, mobile, and VoIP terminating number. No additional phone line is needed. We provide 1300 Numbers as a stand-alone service.

#### **Minimum Term**

The contract is for 12 months.

#### **Monthly Charge**

There is a monthly surcharge on 1300 Numbers of \$25.00 per month (includes administration charge) when paid in monthly instalments.

#### **Customers Pay**

When Australian landline or VoIP is used to make calls on 1300 Number they are charged at a local call. When a mobile phone is used for calling, the caller's mobile carrier determines the cost and may be expensive than landlines.

#### **You Pay**

Call rates are charged on per minute. Calls are billed pro-rata basis i.e. 1-second increments. No minimum charge per call is applies
